

CHALLENGE AND INNOVATION

大阪企業家ミュージアム

The ENTREPRENEURIAL MUSEUM of CHALLENGE and INNOVATION

Aiming to develop the next generation of human resource, the Osaka Chamber of Commerce and Industry established Osaka Entrepreneurial Museum in 2001.

Through introducing bright achievements of the 105 entrepreneurs who succeeded in Osaka, we can study their entrepreneurial spirits.

Seven keywords represent the entrepreneurial spirit: ambition, change, foresight, challenge, innovation, self-help and strong will.

Let's study about Osaka's historical entrepreneurs' passion and wisdom!

Prologue Theater (15 minutes English video)

“The origin of the entrepreneurship of Osaka”

Under the shogunate government, why did so many entrepreneurs leave their hometown to look for a business chance in Osaka? Let's look back from the end of the 16c. Hideyoshi Toyotomi built Osaka castle up to the end of the 19c., when was the last stage of Edo era, to find out how Osaka became the origin of the entrepreneurship.
